DEDICATION

*Books are the legacies that a great genius leaves to mankind,
Which are delivered down from generation to generation,
As presents to the posterity of those who are yet unborn.*

Addison

In sincere appreciation and admiration for outstanding service in all facets of life's personality, the Reflector Staff dedicates, in behalf of the Class of 1963, the 1963 Reflector to Miss Jean Rosenwinkle.

COMPLETES 20th YEAR

In his twentieth year as principal of Edison High School, Dr. C.E. Swingley has encountered many new and rewarding experiences. During his forty years in education, Dr. Swingley received his B.A. Degree from Ball State Teachers College in 1928. To further his education, he attended the University of Chicago where he earned a Masters Degree and finally a Doctors Degree in 1950.

Dr. Swingley has many and varied hobbies as well as being most active, in high regard, in local, civic and professional groups. Among his many awards and achievements are vice-president and national representative of the Boy Scouts of America and Lt. Governor of the Kiwanis in this area.

The Class of 1963 will well remember a man that has dedicated his life to the young people of Edison High School.

KRAMPE SEES EDISON GROW

Originally from Terre Haute, Indiana, Mr. Virgil Krampe received his B.A. Degree from Indiana State College and his M.A. Degree from Indiana University. Mr. Krampe started his teaching career at Edison and in 1934 when Edison's building was destroyed by fire, he went to Horace Mann High School.

After fourteen years at Lew Wallace High School, Mr. Krampe was appointed in 1950 as Vocational Coordinator of Adult Education. In 1952, he returned to Lew Wallace High School where he served as assistant principal until 1960 when he then came to Edison to serve in the same capacity.

Besides enjoying wood-working and designing, Mr. Krampe indulges in Civil War history, traveling through-out the U.S.A. and playing the organ. He is active in local and civic organizations such as Rotary International, Phi Delta Kappa and the Gary Chamber of Commerce.

SCHOOL BOARD: Left to right: Mr. Raymond F. Zale, Vice-President; Mr. Samuel P. Moise; Dr. Leroy W. Bingham, President; Mrs. Dena A. Adams, Treasurer; Mr. Andrew D. White, Secretary.

OFFICERS CLASSES SENIOR

June 4, 1963

In September, 1959, we entered through the doors of Edison High School as Freshmen. This was our first experience as high school students, and the beginning of a four year span which led to triumphs, defeats, tears, and joy.

Under the leadership of George Klinger, our Freshman Class President, many new experiences were encountered for the first time. Long remembered will be our first dance, "Fashion Flair," in the school gymnasium. We ended a successful Freshman year eagerly looking forward toward our Sophomore year.

As Sophomores, with Alice Vela leading the way, we continued on with our various money making projects. Many of us ordered, received, and showed-off our class rings this year.

Marshall Rankin was chosen to be class president our Junior year. Most of our time was devoted toward raising money for the prom. The big day finally arrived, May 4, 1962, the day for which we had all worked so hard. The scene was the Crystal Ballroom of the Hotel Gary, and the theme was "Moonlight Enchantment."

Ed Nalborczyk was selected to lead us through our final year of high school, the year which we had all eagerly anticipated, but hated to see go by so fast. As Seniors, we had numerous activities; senior pictures, ordering of announcements, measurement for caps and gowns, and student teaching which proved an unnerving but deeply rewarding experience.

The climax of four years of struggle and strain was finally coming into our view. There was Class Day, Baccalaureate, and finally GRADUATION, June 4, 1963!

Many of us will never forget that feeling as we sat on the stage of Memorial Auditorium that night. Smiles, tears, sighs, and frowns accompanied a review of happy and sad experiences as memories of four years of vigorous activities were recalled by the graduating seniors.

We are now on our own, not as a group, but as individuals who will strive and look forward to a future full of success and happiness!

HOMECOMING -1962 MOMENT TO REMEMBER

The queen candidates anxiously await the announcement of who will be crowned Homecoming Queen 1962.

QUEEN'S COURT

"Good music-formals-a special partner-and a song--'I Could Have Danced All Night...'" Thus go the thoughts of many Edison students as they reminisce the 1962 Prom. We always remember the Prom as a high spot in our activities, and the 1962 Prom was no exception.

Rain did not seem to dampen the evening for couples of Edison as they made their way to the Crystal Ballroom of the Hotel Gary. The event, which took place on May 4, 1962, was the Jr.-Sr. Prom entitled "Moonlight Enchantment."

As Marshall Rankin, Junior Class President, led the Grand March, each girl received a pink poodle while her escort was given a green medallion as a memento of the evening.

Highlight of the evening was the crowning of Avis Collins and Jim Radtke as Queen and King. Crowning were Nadine Webster and Gus Mavronicles, 1961 Prom Queen and King.

After having enjoyed a most enchanting evening, the couples proceeded to Vogel's Restaurant in Whiting, Indiana, where the Post-Prom was held. Music was provided by Joe Hamilton and Larry Spurlock.

Early in the morning, as the moon broke through the clouds, the couples concluded a lovely and unforgettable evening.

HOMECOMING REMEMBERED

The climax of many hard days of work finally arrived on October 5, 1962, when Alice Vela and Ed Pappas were crowned Homecoming queen and king. A parade, bonfire, shouting from the cheerleaders and fans at the game, and a dance immediately following the game are a few other moments to remember from the 1962 Homecoming festivities.

In charge of all the planning for Homecoming was the Student Council. From here, various committees were selected to make all the arrangements. These committees worked vigorously to try to make Homecoming-1962 a big success, and by the reaction of students, teachers, and parents, they most certainly did!

To the Student Council, and especially the Homecoming Committees, a great big thank you from everyone and hearty congratulations on a job well done!

Under the supervision of Mr. Richard Johns, sponsor, the '62-'63 Torch Staff produced a newspaper never before equalled in Edison history. Approximately twenty-five students contributed to the publication of this tabloid printed newspaper. These students put in many extra hours of work so that the student body of Edison could be informed with the latest news.

Special compliments should be given to the "feature" issues, such as the Homecoming, Thanksgiving, Christmas, and Senior issues of the Torch.

Congratulations on a job well done!

BUSINESS LEADERS IN ACTION

The FBLA is a national organization composed of those students who are enrolled in business education courses and who are interested in business careers. There are over four hundred local chapters in the United States, in colleges as well as high schools.

This year, under the capable leadership of Mrs. Helen Davis, the Edison chapter of the FBLA was very active. They had their first meeting in September and all worked towards developing business leadership.

BALL STATE TRIP CLIMAX TO YEAR OF ACTIVITY

All year members of the FBLA worked toward making their Ball State trip a success. Their hopes were fulfilled when over fifty of them boarded a bus bound for the Ball State Campus in Muncie, Indiana.

The first night the Edison chapter, along with chapters from all over Indiana, attended a meeting which opened the 1963 state convention of the Future Business Leaders of America. Later in the evening, they were entertained with various acts presented by various groups, ranging from dramatic readings to comedy.

At the conclusion of the program, the girls returned to their rooms. Although many rested, few slept, for the next day's events were foremost in their minds. The night was spent in eating, visiting the others, and enjoying the free television provided in each room.

The next morning everyone was up bright and early, ready for the new day. Returning to the campus, they attended another meeting at which various business leaders spoke. Later, the new state officers were announced. The annual convention was closed with a luncheon.

Everyone returned home tired, but happy, for the FBLA had once again completed a successful year.

PEP CLUB

SCHOOL SPIRIT BEST EVER!

Not every student at Edison can participate as an athlete, but every student can back them. That is why we have a Pep Club. The members have tried to increase Edison's school spirit and have made some progress, but much is still needed. The club continually encouraged the team throughout the year, whether winning or losing. "We're proud of our team!" Yes, no matter what the outcome of the game was, the cheerleaders and members were always proud of the team.

This year, the club was very active. As usual, they had their annual Homecoming Mum Sale and dance in the school gymnasium. An added attraction for members at football games this year were green and white mittens purchased by the club.

Selection of cheerleaders for the coming year concluded the activities for the '62-'63 year.

GIRLS DIAL "V" FOR VICTORY

The most energetic club at Edison this year was the Girl's Athletic Association under the capable sponsorship of Miss Dotlich.

Throughout the year, the girls were kept busy engaging in various sport activities. The activities included: bowling, basketball, and volleyball. Awarding of trophies for the best teams in the divisions took place at the annual banquet.

With the cooperation of all the members, the club came up with a prize winning float for the Homecoming parade. The float, depicting a huge telephone, was entitled "Dial V For Victory!"

The biggest affair of the year for the G.A.A. was the spring turnabout at Marquette Park Pavillion.

SODALITAS SCIENTIAE

These Latin words meaning "Club of Knowledge" has accomplished much this school year and will have completed their projects and activities outnumbering those done in the past years.

At the beginning of the year their homecoming float helped make our homecoming parade successful.

They toured the Standard Oil Company and had projects which they demonstrated to the public. Attending the Chicago Science Fair and The Museum of Science and Industry were among the most interesting of all our young scientists.

Together with the Language Club they sponsored a dance on April 5. The profits of the dance helped make their annual Science Club Picnic a successful one.

"MISSILE OF REDEMPTION"

The National Thespian Society which is composed of troupes in every state, was organized for the purpose of raising standards of the Dramatic Arts in secondary schools. Its first aim is to create an active and intelligent interest in all types of theatre activities. Secondly, it aims to develop an appreciation of good theatre, motion pictures, radio and television. Third, it aims to improve the quality of the work of the students in secondary schools, as well as to give them a worthwhile leisure time activity. A spirit of cooperation and an understanding of our fellow students in order to broaden one's own cultural

growth are other goals of Thespians. The motto of the society is "Act well your part; there all the honor lies."

In order to become a member of the Thespians a student must earn their full equivalent of points. These points can be earned by participation in different plays and by doing outside work, such as speeches or monologues. Once the quality of the work is approved by the troupe sponsor, a person is eligible for membership in the Society. Eligibility to membership shall not be contingent in any way upon a vote of student members of the Society.

DRAMATICS

THE MORE THE MERRIER MAJOR PRODUCTION

The purpose of speech club is to gain expression, poise and all the facets of speech. The fundamentals of reading also play an important part, as was shown in the "Pied Piper of Hamiton". This production was presented to various school clubs in March.

"The More the Merrier", a family comedy, was their major production presented in May. Their fine talent was revealed during this presentation.

- GLEE CLUB ENTERTAINS WHOLE COMMUNITY-

The main goal of Glee Club is to achieve a skill in presenting music whereby it can improve the public's taste in music appreciation.

Throughout the year, the club found itself busy entertaining others with its musical ability. Making its first appearance, the choral group presented the "Legend of Sleepy Hollow," in the school gymnasium. Under the direction of Mr. Roland Ralph, sponsor, the group combined for the first time with members from the Senior Dramatics Class for this presentation.

During the yuletide season, the carollers, along with various other organizations, presented the student body with a Christmas program as a climax to 1962. Starting off the new year, the club began rehearsing for the May Music Festival at Memorial Auditorium.

The Glee Club concluded its year of activity by singing for Class Day, Baccalaureate, and GRADUATION.

VICTORIES FEW IN '62

Although the won-lost column for the Blazers was not too impressive in football this year, the squad showed fight and determination, which proved to the student body that they were capable of playing good football. Having an inexperienced team, due to the loss of twenty-one lettermen from last year's championship squad, the boys took their lumps.

After many hours of long hard practice in the summer heat, the Blazers made their first appearance on the Gilroy Stadium gridiron in an exhibition game against cross-town rival, Wirt. Before a Football-O-Rama crowd of 10,000, the Troopers easily defeated the Blazers, 18-0.

However, the Green and White from Edison proved to be no pushover throughout the year, as they lost four of their games by a combined total of 28 points.

George Klinger, guard, Ed Pappas, back, and Rene Garza, fullback, served as 1962 co-captains for the Blazer team. Both Klinger and Pappas were named to the All-Conference first team.

BLAZERS UNDEFEATED AT HOME

One of the highlights of the 1962-63 basketball season was the perfect season registered by the Edison Blazers on their home floor. Victories were recorded over Andean, Emerson, Horace Mann, East Gary, Chesterton, Highland and Dyer.

The boys did fairly well in conference competition by placing third in the standings with a record of 7-3. They were also the only team to defeat the conference champions, Griffith Panthers, in season play. In this game, the Blazers showed desire and determination which signified the type of basketball that they played throughout the season.

Senior members of this year's team were Jim Johnson, Jack May, Ed Nalborczyk, and Bob Witt. Witt and Johnson served effectively at the forward position, while May and Nalborczyk helped under the boards.

Sportsmanship, desire, and determination were a few of the traits which made us proud of our team.

BLAZER "B" TEAM C.C. CHAMPS

Coach William Anderson and students of Edison High School can be proud of this year's reserve basketball team. The "B" team, under the guidance of Coach Andy, won the Calumet Conference championship and placed second in the city holiday tournament.

After a shaky start, the reserves were able to find their footing and go on to end the season with a record of 17 wins and 4 losses, winning their last ten outings in a row. Thus, the Edison basketball picture could be a bright one, in the year's to come, since there were only four seniors of the varsity squad, while the "B" team consisted of all sophomores.

Yes, this year "was" a dandy, for Coach Andy!

THE REFLECTOR STAFF

Our yesterdays follow us; they constitute our life, and they give character and force and meaning to our present deeds.

----Joseph Parker

In this book, the Reflector has imprinted those yesterdays that were but a few days and months ago. We cannot now know the full significance of those yesterdays. It is the Reflector that will remind us decades from now what those yesterdays really were.

It seems fitting that each school year begins in autumn. Autumn is a season of joy and melancholy. We must not wither and die, yet magnificent autumn comes "like a warrior with the stain of blood on his brazen mail." The cold, gray skies of winter disturb the soul. We find refuge in man, his teachings and fellowship. Spring returns. Oh! What we do. Summer comes and goes. We know not where. The seasons we cannot escape. It is the seasons that remind us how short life really is.

It is our fervent hope that this Reflector catches a few of the seasons' yesterdays.
